VERIFY IF PROFILE IS AVAILABLE ON SANOFI CAMPUS

STEP 1: Access Sanofi Campus Homepage

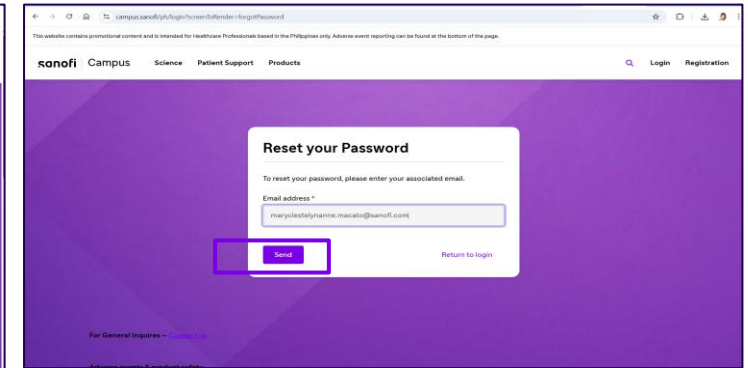

HCPs access the Sanofi Campus homepage and click 'Log in'.

STEP 2: Click 'Log in', then select 'Forgot Password' to set a new password.

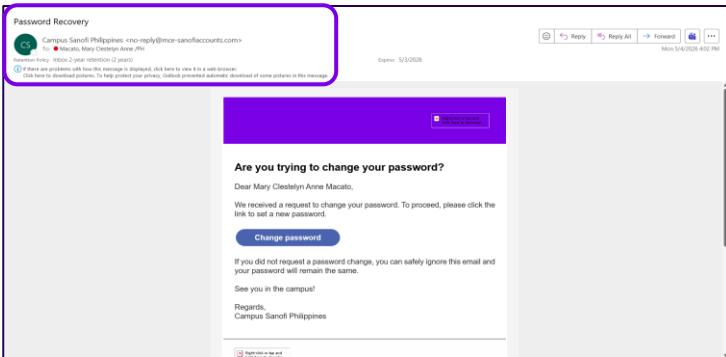

On the login page, HCPs enter email address and an error will appear which means account is already available. To reset password, click 'Forgot Password' button.

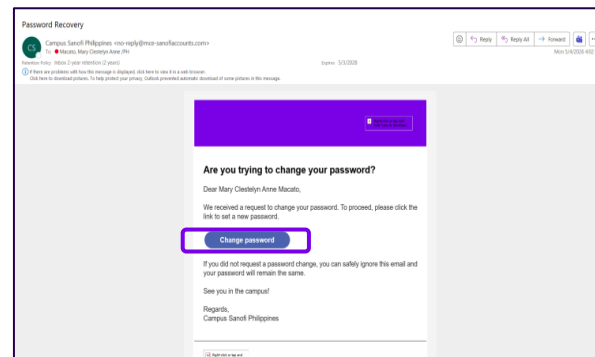

After clicking the 'Forgot Password' button, HCPs enter their email address and click 'Submit'.

STEP 3: Check Email Inbox

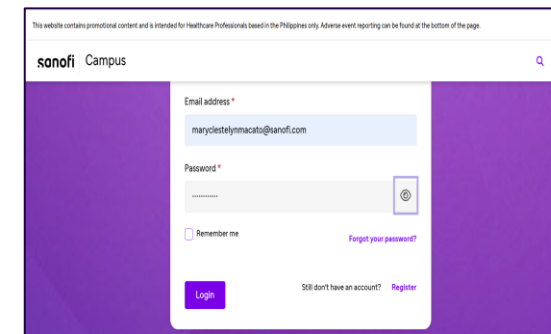

After clicking, the system will display a message prompting you to check your email. To proceed, HCPs should look for an email titled 'Password Recovery?' sent from 'Campus Sanofi Philippines'.

STEP 4: Click 'Change Password' to enter new password and save it to the browser."

In the email inbox, HCPs need to open the email and click on 'Change Password'

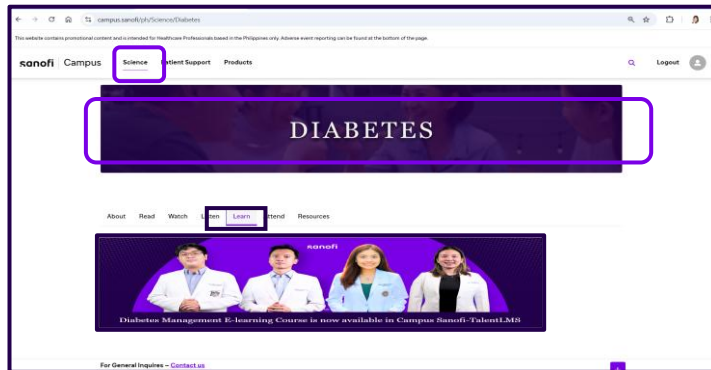

After clicking 'Change Password' in the email, the system will redirect to the password reset page, where HCPs must enter a new password.

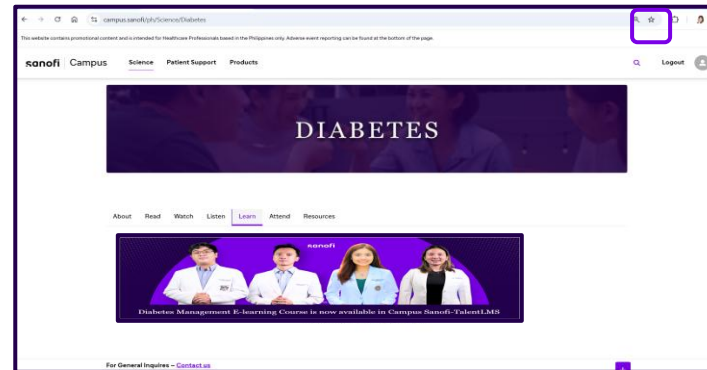

NOTE:
Once the new password is entered and login is successful, HCPs may choose to save the password in their browser (if prompted) to avoid re-entering it for future logins."

VERIFY IF PROFILE IS AVAILABLE ON SANOFI CAMPUS(cont.)

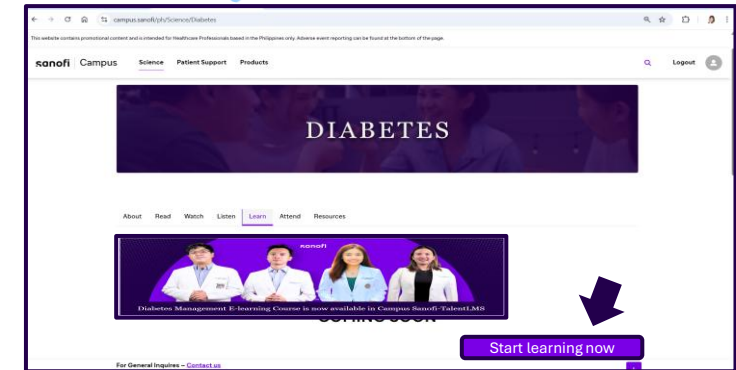

STEP 5: Upon Login – Go to – “Science”- “Diabetes”-“Learn” and Save The Link In Your Browser

After logging in, HCPs should return to the Sanofi Campus homepage, then click *“Science-Diabetes-Learn”*.

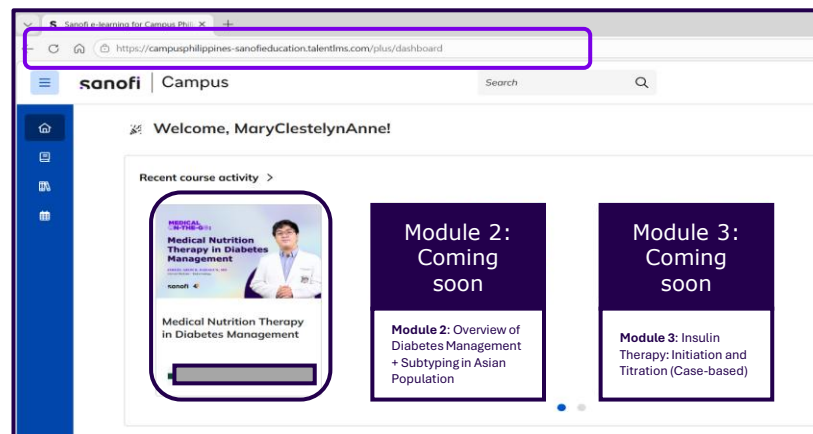

HCPs may also click the *star icon* next to the link to bookmark the website.
