

ANG BANTA NG FLU SA TRABAHO

Hindi lang karaniwang sakit ang Flu.
Your workplace should have an environment that prevents illnesses like Influenza.

Flu is a serious respiratory illness that can cause you:

Missed work

Hospitalizations

Death
(in some cases) ⁽¹⁾

PROTEKSYON LABAN SA FLU HABANG NASA TRABAHO

Flu prevention provides you and people around you **the best protection against vaccine-preventable diseases.** ^(2,3)

This is why you should make the first move. So you can protect yourself and help build a safer workplace and community.
